

There are a few changes to your vouchers. **If your voucher has the Giant Eagle barcode (circled on the image above) it can be used at either participating Giant Eagles OR Save-a-Lots. If it does not have the Giant Eagle barcode, it can only be used at Save-A-Lot.**

**You must sign up for a Giant Eagle Advantage Card, and check out with a cashier to use your vouchers (no self-check out).**

Coupons are redeemable for purchase of fresh produce at full value of coupon/s used. For example, **you must have \$5.00 or more of fresh produce in order to use a \$5.00 coupon. Your coupon will not work if you have \$4.99 or less in fresh produce.**

**You can still spend all vouchers at participating\* Save a Lots. If you would like to replace last month's vouchers with ones valid at Giant Eagle, please text (513) 643-4264.**
